

Factsheet

Thank you for your interest in Indigo's Dental Assistant Program! Our ultimate goal is to place you in your career as fast as possible.

We know choosing a college can be daunting. That's why we came up with a list of frequently asked questions to inform you on the many benefits of Indigo's Dental Assisting course.

1 What sets Indigo apart from other college programs?

Indigo is unlike any college or post-secondary school. Our priority is to train the very best dental assistants then help them land great jobs! This means we form class sizes based on actual job openings in the Indigo Network.

Our curriculum is designed and taught by dental industry experts who have identified the critical skills necessary for today's modern offices.

The flexible online curriculum and weekend hands-on training clinicals enable you to easily transition from your current job or schooling into an exciting new dental career.

We also guarantee your job placement upon graduation which no other college offers.

2 What other programs does Indigo provide?

What if you are already a certified Dental Assistant and looking for another job opportunity?

Currently we only offer the Dental Assistant program. However, we are in the process of rolling out a Dental Administration program in the future. We are also exploring programs in the medical field.

If you are already a certified dental assistant, there is an opportunity to place you within our dental network. Please reach out to one of our enrollment advisors for more information on the interview process.
