

# Factsheet

Thank you for your interest in Indigo's Dental Assistant Program! Our ultimate goal is to place you in your career as fast as possible.

We know choosing a college can be daunting. That's why we came up with a list of frequently asked questions to inform you on the many benefits of Indigo's Dental Assisting course.

## 1 What sets Indigo apart from other college programs?

The flexible online curriculum and weekend hands-on training clinicals enable you to easily transition from your current job or schooling into an exciting new dental career. We also assist in your job placement upon graduation which no other college offers.

Our curriculum is designed and taught by dental industry experts who have identified the critical skills necessary for today's modern offices.

If you have additional questions, please don't hesitate to reach out!

## 2 What other programs does Indigo provide? What if you are already a certified Dental Assistant and looking for another job opportunity?

Currently we only offer the Dental Assistant program. However we're exploring other continuing education courses for dental and possibly adding an RDA program in the future.

If you are already a certified dental assistant, there is an opportunity to place you within our dental network. Please reach out to one of our enrollment advisors for more information on the interview process.

## 3 What does the curriculum look like? How long is the program?

The program is a 12-week course that combines a mix of online classes and weekly in-person clinical training. More specifically, Indigo's comprehensive Dental Assisting Course consists of 96 clinical hours, 120 online hours.

And best of all, a member of our career services team will help place you at a Dental Assistant office in your area upon graduation.

## 4 What kind of certifications will I get? You will receive the following certifications:

- ✓ Basic Life Support
- ✓ Dental Practice Act
- ✓ Infection Control
- ✓ Radiation Safety

Our course is approved by the Dental Board of Education and under Radiation Safety includes California Dental X-Ray Certificate/License

If you have additional questions, please don't hesitate to reach out!

## 5 How often do classes start and how soon can I start?

We try to start classes every 3 months in the same general location.

## 6 Where are campuses located?

Our classes are taught at actual dental offices throughout California. A complete list of locations can be found here:

[www.indigocareercollege.com/locations](http://www.indigocareercollege.com/locations)

## 7 How much is tuition and what does it cover?

The cost of tuition for Indigo's Dental Assisting Program is **\$8,500** which is more affordable than similar college courses. Other dental assisting programs can cost in the range of \$13,000 - \$22,000.

Discounts are also available if you're able to refer a friend or family member to the program.

### Your Tuition Includes:

- ✓ Scrubs
- ✓ Class Materials
- ✓ Online Courses
- ✓ Clinical Courses
- ✓ Assisted Job Placement
- ✓ Career Advisor and Mentor

If you have additional questions, please don't hesitate to reach out!

## 8 What financing options do you have for your program? Is financial aid available?

We currently do not accept student financial aid however we do offer several financial options for qualified candidates. We take pride in working with each student on a comfortable down payment as well as setting up flexible payment plans.

## 9 How soon will I get a job after I graduate?

Typically, we see students land a job within a couple of months of graduation. We aim for direct placement for immediate hire, however the dental industry traditionally expects externship participation before hire. Indigo's Career Service team will assist the student with every step of the job search process!
